Payments with
peace of mind.
The Better Way.

Cohort Go offers a unique global payment platform for international students providing a fairer, smarter and easier way to pay student expenses.

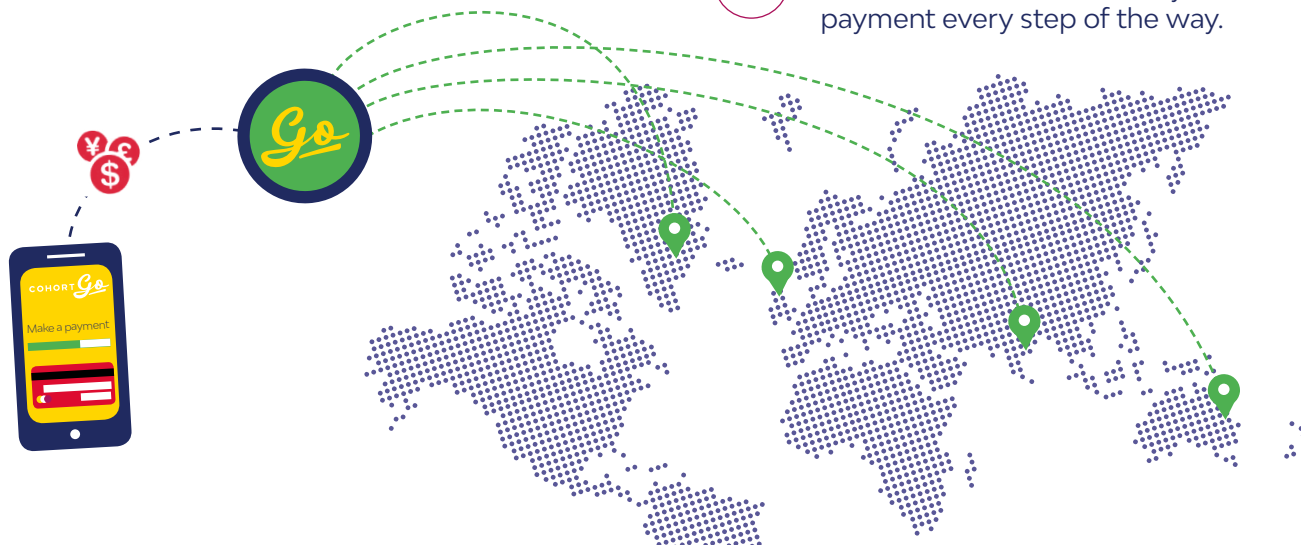

Securely pay tuition fees, living expenses and other education fees in your local currency with competitive foreign exchange rates and no fees. With real-time tracking, you'll always know where your payments are from start to finish.

We're creating ways for people to worry less and experience more.

How it works.

Through our global network of trusted partners, you can make international payments in your local currency and we'll deliver your funds across the world.

- 1 Enter your payment details in our simple Cohort Go platform.
- 2 Receive payment instructions and make your deposit using your preferred payment method.
- 3 Watch as we transfer your funds across the world, and track your payment every step of the way.

COHORT

Why choose Cohort?

Study with more.

Every Cohort Go payment is delivered at a favourable foreign exchange rate with no fees and definitely no surprises.

Get your study experience off to a flying start with:

- **Instant quotes** in your local currency.
- **Competitive foreign exchange rates**, saving you money.
- **No transfer fees** from us, ever.
- **Real-time payment tracking** every step of the way.
- **Multiple payments** in one Cohort Go transfer.
- Outstanding **Australian-based support team** to help get you ready to GO.

We are trusted.

Being secure enables people to explore, learn and GO further, knowing personal and financial details are safe. We call it peace of mind.

Our cloud-based solutions are trusted, secure and tailored for students.

At Cohort, we use the best security technology available to encrypt your personal and financial details. Our networks and systems are robust, employing innovative architectural and engineering approaches to storage and security.

We are compliant with all financial services regulations in each of our markets and guarantee settlement of all funds that have been transferred to us, so you know you can rely on Cohort Go.

Strength in numbers.

Students.

**Providers
& agents.**

Countries.

Currencies.

Get ready to GO.

Start the international education experience with confidence and pay your fees the smarter way with Cohort Go.
